

State of Delaware
Office of the Governor
Fiscal Year 2016
Financial Overview
January 29, 2015

Budgeting Principles

- **Invest in Priorities:**

- Job Growth.
- Stronger Schools.
- Governing Responsibly.

- **Keep Core Commitments:**

- K-12 and Higher Education.
- Public Safety.
- Healthcare.
- Quality of Life.

- **Ensure Fiscal Responsibility:**

- Creating a balanced budget despite fiscal challenges.
- Maintaining AAA-bond rating.
- Fully funding Rainy Day Fund.
- Only appropriating 98 percent of revenue.
- Adhering to three-part debt limit.

Moving Delaware Forward

Investing in Priorities and Keeping Core Commitments

Job Growth

- Set an all-time high jobs record in November with 443,700 jobs reported.
- Delaware's job growth rate is increasing three times faster than neighboring states and has outpaced the national rate for the last 24 months.
- More than \$7.3 million provided in training funds to 237 businesses who have in turn trained more than 5,000 employees.
- Opened Job Centers at four Delaware libraries to provide valuable information resources, technologies, and training services to Delaware's unemployed and underemployed.
- Partnering with five financial companies and others to test new approaches to workforce development, including the fulfillment of 1,200 IT positions.
- Created a program with Delaware Technical and Community College to train entry-level healthcare workers for some of Delaware's major hospitals and nursing homes.
 - *The first training program for nursing assistantships will begin this spring, and students, selected from the Jobs for Delaware Graduates program, will be working in the field within months.*
- Assisted 229 businesses in expanding or locating in Delaware through the Strategic Fund.
- Provided three months of rent-free commercial space to businesses up and down the State through the Project Pop-Up program.
 - *The program has grown from three participating businesses in 2012 to 24 in 2015, including a nine business incubator in Wilmington.*
- Established a Manufacturing Training Center to provide essential tools and services to meet the growing need for highly skilled mechanics and technicians in Kent and Sussex counties.

Moving Delaware Forward

Investing in Priorities and Keeping Core Commitments

Stronger Schools

- More than 7,400 high needs children are now enrolled in a high quality early learning and development program.
 - *This number has increased by 82 percent since 2012.*
- Delaware's high school dropout rate hit a 30-year low of 2.9 percent.
- More than doubled the number of high school students taking and passing AP courses, earning them college credits and saving Delaware families almost \$7 million per year.
- Implemented full-day kindergarten in every school district in the State.
- In previous years, between 82 and 86 percent of college-ready students applied to college. Last year, for the first time, 100 percent applied and were on track to enroll.
- 1,500 high school students took classes that can count toward college credit this school year, more than double the number from the previous school year.
 - *25 high schools across the State are offering more than 100 dual-enrollment courses.*
- Launched world language immersion programs in Mandarin and Spanish, preparing Delaware students with the language skills to compete in an ever-changing global economy.
 - *More than 1,500 students will now be fluent in a foreign language as a result of these programs.*

Moving Delaware Forward

Investing in Priorities and Keeping Core Commitments

Quality of Life

- Increased by ten-fold the number of mental health professionals in Delaware middle schools from three to 30.
- Provided 4,982 children after-school and summer activities, giving them exposure to the arts, nature, and physical activity.
 - *Nearly doubled the original goal for the program of serving 2,500 children.*
- Supported more than 500 individuals and families in finding and maintaining housing through the State Rental Assistance Program.
- Assisted more than 200 youth aging out of foster care, with an additional 95 eligible to receive assistance in the upcoming fiscal year.
- Expanded the Nurse Family Partnership for first-time mothers to assist an additional 500 families, making Delaware number one in the country for this program.
- Preserved thousands of acres of land across Delaware, including:
 - More than 5,750 acres of key shore, watershed and forest land using Open Space funds and other federal and private resources.
 - Nearly 2,000 acres of additional strategic lands to protect habitat, enhance wildlife-viewing, and create public trails.
 - 304 farms totaling 27,700 acres under the Delaware Farmland Preservation Program, with a total of 115,000 acres permanently preserved.

Moving Delaware Forward

Investing in Priorities and Keeping Core Commitments

Quality of Life

- Provided ongoing day programming and supported employment services for 1,107 individuals with disabilities through the Special School Graduates Program and provided crisis assistance for 502 individuals with disabilities through the Community Placements Program.
- Supported by a first-of-its-kind federal innovation grant, Delaware will embark on an ambitious effort to improve patient care, support the health of all Delawareans, and reduce the costs of care.
- Provided more funding for improvements and upgrades to public libraries than any other administration.
- Invested in library technologies, bringing a statewide library catalog, high-speed broadband and wireless access to every library in the state and offering e-collections (e-books, e-audiobooks, video streaming) directly to library patrons.
- Implemented a multifaceted recycling program that has increased the recycling rate to well over 41 percent across the State, placing Delaware above the EPA national standard of 34.5 percent.
- Expanded the number of biking and walking trails in the State by more than 25 miles, with an additional 34 trail miles in various stages of development.
 - *More than 350,000 residents and visitors used the trails recreationally or to commute in 2014.*

Efficiencies and Reductions During the Markell Administration

- Eliminated 1,021 state employee positions from FY 2009 to FY 2015, while addressing increased demand for state services.
 - *More than 100 additional positions will be eliminated in FY 2016.*
- There are 629 fewer full-time state employees working in cabinet agencies.
- Enacted state employee health and pension reform.
 - *\$9.7 million savings in FY 2014.*
 - *More than \$480 million in savings over a 15-year period.*
- Reduced State's energy costs through electricity reverse auction.
 - *Estimated \$3.0 million savings per year, while meeting the EO 18 goal of 35 percent renewables.*
- Eliminated state-owned vehicles for cabinet members.
- Reduced the size of state fleet by more than 20 percent.
- Implemented prescription program for Medicare eligible state retirees.
 - *Estimated savings of over \$12 million per year.*
- Revised the Medicaid reimbursement process for prescription drugs, lowering costs to the State.
- Reduced the number of residents living in DHSS Long Term Care Facilities.
 - *Estimated savings of \$3 million.*
- Implemented Medicaid Managed Long Term Care.

Efficiencies and Reductions During the Markell Administration

- Reduced costs by renegotiating leases, resulting in a total savings of \$5 million.
- Consolidated the following areas within the Department of State:
 - Merit Employee Relations Board into Public Employment Relations Board;
 - The Commission for Women and the Office of Human Relations;
 - The Delaware State Historic Preservation Office and Delaware State Museums into the Office of the Director; and
 - Delaware Veterans Memorial Cemetery and Veterans Cemetery Georgetown into Delaware Commission of Veterans Affairs.
- Consolidated DNREC from six divisions to three offices.
- Consolidated the Division of State Service Centers from four units to one unit in the Department of Health and Social Services.
- Consolidated Department of Education from four branches to three.
- Moved state tax filing systems from paper-based to online.
- Maximized in-house resources and services at the Department of Services for Children, Youth and Their Families.
- Reduced state agency printing and advertising expenditures.
- Reduced E-ZPass Customer Service Center hours and automated 24/7 support services.

Substance Use Disorder Programs

Facing an Epidemic

- There were 185 suspected overdose deaths in Delaware last year.
- Delaware ranked 10th in the nation for death by overdose.

Increased Demand for Services Available

- 9,897 adults sought public treatment for addiction in 2014.
- 3,182 of these adults indicated heroin as their primary drug at the time of admission, an increase of 108 percent since 2010.
- The number of heroin incidents reported by police has increased by more than 96 percent since 2008, and admissions for heroin treatment have more than doubled.

Proposed Improvements

- Withdrawal Management.
- Sober Living Residential Beds.
- Young Adult Opiate Residential Treatment.
- Residential Treatment.
